JUNE

REAL LIFE
MINISTRIES

Welcome

As a church, we seek to keep things simple. Our vision is Jesus' vision: He came to seek and to save the lost. To do this, He made disciples who could make disciples, building a church that would be His hands and feet in the world and His mouth-piece to deliver His good news. Our methods for making disciples are Jesus' methods. We gather in large groups to worship, teach, learn, and serve one another. We also gather in relationship groups where we encourage each other, model Jesus' teaching for one another, hold each other accountable, and learn to use our gifts for Jesus' glory and one another's good. We see this in Acts 2, and it worked.

I wrote that it's simple, but it's definitely not easy. Only when we remain in a relationship with Jesus, follow His word (the Bible), and allow other believers to speak into our lives, do we truly change. And only when we truly change and become Christ-like can we make a difference in our slice of history.

I would like to invite you to this month's meet and greet where I can answer any question you might have about Real Life Ministries—how we operate, how we are organized, what we believe... I would love to meet you in person.

BAPTISM

Baptism is a simple illustration of being washed. It is a picture of Christ's death and resurrection; a picture of new birth. When a person gives their life to Jesus, baptism is a logical next step for that person to publicly confess what Jesus has done in washing their sin (wrong-doings) away. For more information, please contact George. If you have questions about having your child baptized, please contact Luisa.

REAL LIFE

GROUPS

WHY LIFE GROUPS?

We exist to reach the world for Jesus Christ one person at a time, and making biblical disciples in relational environments is the model and method Jesus gives us to do this. Biblical discipleship and spiritual growth best happen in and through intentional relationships. Life groups are where we connect and grow in relationship with God and with others as we do life together, growing in spiritual maturity as disciples of Jesus. *Stop by the Next Steps area of the lobby to get connected into a Real Life Group!*

LIFE GROUP CONNECTION

If you are interested in connecting to a life group, please visit the next steps area in the Building 1 lobby where our groups pastors would be happy to help you get connected.

It’s easy to chat, ask for prayer, and even invite others to watch a live service with you! Check it out: reallifeministries.churchonline.org
