RLM Seniors' Purpose Statement: We are a ministry to seniors and through seniors with a heart of service and a commitment to finish well. As senior adults, our purpose is to more intentionally live out the vision and mission of Real Life Ministries. We want to declare the power of God to the next generation(s) and to love, honor, accept and serve one another.

Extreme Grandparenting Are you ready to take grandparenting to the next level? Grandparents play an important role in the lives of their grandchildren – a role that's being redefined today by active, vital grandparents like you. Discover how you can reach and relate to your grandchildren, not only as a mentor and loving family member, but as a spiritual rock during the hard times. We will address and discuss the following topics: 1. Leaving a Legacy 2. Giving a Blessing 3. Intervening versus Interfering 4. Long-Distance Grandparenting.

One of the results from the surveys completed in July, is that many of you were interested in studying the Book of Revelation. So, we're excited to announce that RLM Elder and Retired

Pastor, Joe Troxell, will be joining us again, teaching on Revelation over 4 weeks:

Senior Connect September 13, 20, 27, October 11. Hope you can make it!

Happy Grandparents' Day Sunday September 8th

Culture says, "Retire and go play." I say, "No thanks, I'll pray."

Culture says, "Pursue affluence." I say, "I'll pursue influence."

Culture says, "You're old, you did your time." I say, "Not so, I'm in my prime."

Culture says, "You can't relate." I say, "Not true, my influence is great."

Psalm 78:4 we will tell the next generation the praiseworthy deeds of the Lord, his power, and the wonders he has done. Addition grandparenting resources can be found at <https://legacycoalition.com/>

A year out of high school with no plans for his future, a boy is challenged by his single mom and a successful businessman to start charting a better course for his life. Through the prayers of his mother and biblical discipleship from his mentor, he begins discovering God's purpose for his life is so much more than he could hope for or imagine.

laugh out loud...

A little girl was watching her daddy repair his tractor. She asked her mother, "What happens to old tractors when they finally stop working?" Sighing, her mother answered: "Someone sells them to your father, dear."

My granddad always said, "When one door closes, another door opens." Lovely man. Terrible cabinet maker.

Getting In the Game Rick & Carol Wadholm

When we first got to North Idaho we told Pastor Jim that we wanted to do as Henry Blackaby said in his book, Experiencing God, "Find out what God is doing and join Him!" That is what we feel like we have done. We met with Bobbi and she shared some things happening around the church. We went to Meet and Greet, to the membership class, joined Senior Connect and a Life Group and began greeting on Thursdays. We want people to know they're welcome! Greeting with a welcoming smile is a part of that. We've also had opportunity to pray for people as they come in. God has helped us meet some wonderful people here and make some lifelong friends. God is doing a great work in N. Idaho & around the world through this church's Pastors, Elders and volunteers. The great thing is: we get to be a part of it! When I talked to another volunteer he said, "I feel empowered!" Wow! And you can too!
