

Cafe (Volunteer) Thursday/Sunday Services

Role

Serve our church family and those here for the first time while maintaining quality, efficiency, and customer care in the Cafe. Learn new barista skills and techniques while keeping the focus on serving others as modeled by Christ.

Expectation

The Cafe offers a fun and casual environment for people to connect with each other and offers the opportunity to minister to others in an unconventional way. We get to help first time guests have an awesome experience, see regular attendees bond over a cup of coffee, and even connect with people ourselves by engaging & asking how someone is doing!

Each Cafe volunteer is responsible for showing up for their chosen service and maintaining their designated station. During their service time, a Cafe volunteer is expected to:

- Provide excellent customer service, loving our church as ambassadors for Christ.
- Remain on and maintain their designated station.
 - Leads have the right to change the stations of volunteers based on: need, desire to grow volunteers, and preference, if applicable.
- Show up on time for chosen service; serving starting time is available on each monthly schedule.
- Sign up on each monthly schedule and communicate with respective lead regarding your service
- Start each serving time with an open mind to learn different drinks, techniques, and stations
- Make each drink with attention to detail and efficiency

In addition to the service expectations, volunteers are expected to participate in regular training, celebrations, and other ministry events. Volunteers are encouraged to invite new volunteers to join the team by inviting friends, family, Life Group members, etc. to serve with them. If you have a new volunteer for the team, please have them connect with a paid staff member from the Cafe.

Personal Expectations:

- Membership
- Attend weekly worship service
- Participate weekly in a Life Group
- Maintain a consistent devotional time with God

- Live obediently to God's Word with your time, talents, and resources

Goal

To serve our church wholeheartedly with each drink ordered, grow in applicable skills, and connect with other volunteers and church attendees.
